Notice to Customers

We would say to those unacquainted with us that we have 300 acres devoted to the business; our methods of growing and handling stock are up to date. We solicit correspondence and personal inspection of our stock, confident it will compare favorably with the best.

References—For those who do not know us, we refer to any leading nurseryman in the United States, Dun and Bradstreet's Mercantile Agencies.

Prices—This list is intended for nurserymen and dealers only, and supersedes all previous editions. The prices are for the quantities named; 250, 25 and 5 will be furnished at the 1000, 100 and 10 rates respectively. We have tried to make our prices as low as we think well-grown stock should be sold. We expect, however, to sell on the market and meet reliable competition.

Terms—We are glad to grant 30 to 60 days time for payment of bills to all responsible parties, but parties we do not know, who have no commercial rating, must send remittance with order, or guarantee signed by some bank or someone of known responsibility to be sure of securing goods selected. If references are sent, we will confer with them and after hearing favorably, if goods selected are still unsold, we will enter them as requested, but we will not enter orders or ship goods until we know the customer is responsible.

We will not hold goods on inquiries.

Trees selected by the customer at the nursery will be charged in accordance with their value.

Packing—This is done in boxes and bales, for which a charge is made sufficient to remunerate for the cost of material only. Trees packed in bulk at no extra charge.

Complaints—Should there be any reason for complaint, we must be notified on receipt of goods, otherwise we cannot entertain it. We make it a point to give all reasonable claims proper consideration.

Orders—Are accepted on condition that they shall be void should any injury befall the stock from frost, or other cause over which we have no control.

Varieties—We reserve the right to select the varieties, but will give the purchaser his choice as far as is consistent with our stock. In ordering please state whether or not substitution will be permitted in case we should be short of any sort wanted.

Guarantee of Genuineness—While we exercise the greatest care to have all our trees and plants genuine and reliable, and hold ourselves prepared to replace on proper proof, all trees that prove untrue, we do not give any warranty, express or implied; and in case of any error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the stock.

We guarantee all our stock to be in good condition on leaving our hands, but we do not guarantee it to grow under all conditions, nor do we make up any loss whatever due to climate effects, or after culture on the part of the purchaser, and the risks of transportation are to be borne by the purchaser.

TO OUR CUSTOMERS—On all orders placed with us, stock is sold at the nurseries without freight allowance. The plants become your property upon delivery of them to the Transportation Co., and we cannot be responsible for loss, damage or delay in transit. Your recourse is with the Transportation Co., and not with us. If plants arrive in bad condition, before receipting for them, require the Station Agent to note same on the freight or express receipt, then make your claim on the Transportation Co. If you accept shipments short of what is enumerated on your invoice, or in bad condition without proper notation on freight or express receipt, the loss will be yours. Every assistance in our power will be cheerfully rendered you to trace and recover lost goods and collect damages.

Boxing—Boxing cost is charged on following basis:

12x15 in. x 8 ft....	\$1.75	23x28 in. x 8 ft..	\$3.00	17x20 in. x 10 ft..	\$3.50
15x16 in. x 8 ft....	2.00	28x32 in. x 8 ft..	3.50	19x24 in. x 10 ft..	4.00
17x20 in. x 8 ft....	2.25	31x36 in. x 8 ft..	4.00	23x28 in. x 10 ft..	4.50
19x24 in. x 8 ft....	2.50	15x16 in. x 10 ft..	3.00	27x32 in. x 10 ft..	5.00

A State Entomologist inspection certificate will accompany each shipment.

Deciduous Shrubs

The shrubs we offer are of a standard commercial grade, young and thrifty. They are not crowded in rows to make them grow tall, but are given space enough for proper development. This insures a bushy and full plant, which far more than height ought to be, and indeed is, the standard of excellence. Nearly all our shrubs are dug with a tree digger, thus insuring good roots, and are exactly what we represent them to be in all particulars.
